

CALAVERAS PUBLIC UTILITY DISTRICT POLICIES

Policy Name:	2120 – EMPLOYMENT OF OUTSIDE CONTRACTORS AND CONSULTANTS		
Approval Authority:	CPUD BOARD OF DIRECTORS	Adopted:	10/13/2020
Resolution No.	Resolution 2020-14	Revised:	

2120.1 The District employs outside contractors or consultants for construction, engineering, planning, and environmental review projects, auditing, and other purposes approved by the Board of Directors. The District’s procedure is as follows:

- a) Construction projects will be advertised for bid in at least one local newspaper of general circulation and the local contractors bidding news if available, or pursuant to informal bidding procedures if authorized by applicable law. The bid opening is open to the public and will be specified in the bid documents.
- b) If public bidding requirements apply under law or the terms of any grant contract, those requirements shall be complied with to the exclusion of the previous paragraph.

2120.2 Consultants require approval by the Board of Directors on the recommendation of the General Manager. The General Manager and/or Board of Directors will make their decision based on the consultant’s experience and qualifications. The consultant will also be required to provide an explanation of scope of work, hours to complete, and applicable cost estimate for their services that will be used in their evaluation in the selection process. Consultants for engineering, architectural, and other professional services shall be evaluated based upon qualification and not on cost of services per state law, and therefore, the District is not required to follow public contract bidding procedures for such services.

2120.3 Every person involved in the solicitation, selection, and approval of consultants shall comply with applicable conflicts of interest laws, including Government Code section 1090, the Political Reform Act of 1974, and the District’s conflict of interest code.
