

CALAVERAS PUBLIC UTILITY DISTRICT

Temporary Water Service Program

GENERAL INFORMATION

Card Lock Bulk Water Stations: The card lock water stations provide water to customers with prepaid cards that are available at the District office. A straight commodity charge is applied to water from these stations. There is a fee for the cash card and no recurring fees or charges. The cards are reusable and should be treated as cash.

Fixed Meter: These meters are located at the closest approved fire hydrant to a customer project or a District designated hydrant. The customer must provide a hardware deposit to the District and pay all fees to set up the account. A monthly water charge and hydrant meter fee will apply.
